Assemble Snack Bags for Boys & Girls Clubs of Metro Phoenix

Description: October 24th is Make A Difference Day, the nation’s largest day of community service! This year, Families Giving Back would like to focus on providing healthy snacks for teen after school programs at the Boys & Girls Club of Metro Phoenix.

Instructions: Your children can decorate plain lunch bags (any color is fine) with stickers, markers, crayons, etc. They can be as creative as they’d like! Children are also welcome to include an inspirational note in the bag. We just ask that any verbiage on the bags or note doesn’t include religious references or reference the recipient’s living situation. Positive messages like “You’re Awesome!”, “Hope you have a great day!” etc. are great. Once the bags are made, fill each with the snack bag items (see left column)

Completed bags can be dropped off at the Boys & Girls Club locations below by October 24th. If none of these locations are convenient, please email us at info@familiesgivingback.org to arrange delivery.
